

CTE: The Un-Conference

Sponsored by CSDE

Join us for
this two-day
conference
focused on
improving your
CTE programs.

May 19, 2021 & May 26, 2021
12 noon – 3:15 p.m.

On May 19, we will offer two sessions:

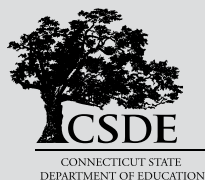

Session I: Educators from East Hartford, Meriden, and Waterbury will share how they are implementing Personal Finance at the Middle School Level as recipients of last year's Promoting Financial Literacy in Middle Schools RFP.

Session II: Connie Majka of the National Center for College and Career Transitions (NC3T) will provide an overview of why Career Pathways Matter and an introduction to designing a Pathways Program and Pathways System. Enfield, East Haven, and Tourtellotte High School will discuss their journey towards Pathways and their plans for moving forward as participants in the CSDE Career Pathways Initiative.

On May 26, we will offer two sessions:

Session I: The Connecticut Science Center will showcase the pilot STEM Externship Cohort Series which is run in collaboration with ReadyCT and the CSDE. This program focuses on increasing special populations in CTE Pathways.

Session II: Hans Meeder, President of the National Center for College and Career Readiness, will lead a practical, hands-on workshop to help plan specific strategies for improvement. You will have access to planning templates and suggested strategies. The CT Science Center will also share information about teacher internships.

Register Now!

Only one registration to participate in both days.
All registrants will be sent a Zoom link a few days before the event.
